This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PREFACE.

THE greater part of this Volume has been transcribed from the FIRST BOOK OF HOWDEN REGISTERS. It has wood backs covered with leather, is bound in an old Latin Missale, and measures 12 × 8 inches.

It formerly had brass clasps, and for the most part is filled with well-written entries in double columns on 341 pages of parchment, of which 68 contain Marriages, 130 Baptisms, and 143 Burials. Three of the last are in treble columns.

This issue contains the Marriages and Baptisms of the First Book, commencing in 1542 and terminating in 1644 and 1659 respectively; also the Registers of Mr. George Belt from November, 1653, to November, 1656, which are written on 15 parchment leaves, 23 × 9 inches.

The Parish of Howden at this time included the Townships of Asselby, Balkholme, Barmby, Belby,

Cotness, Howden, Kilpin, Knedlington, Laxton, Linton with Newland, Metham, Saltmarshe, Skelton, Thorpe, and Yokefleet—an area of twenty square miles of flat alluvial land, forming part of the Baronial Liberty of the Bishops of Durham. Chapels were built at Barmby and Laxton—about four miles from Howden—and resident Curates appointed.

The Society were indebted to the late Vicar, the Rev. William Hutchinson, for permission to copy and print these Registers.

Yorkshire Parish Register Society.

REPORT FOR 1904.

THE Council of the Yorkshire Parish Register Society beg to present their Sixth Annual Report. The number of members for the year is 245. An increase in membership is very desirable, and the Council hope the members will assist them in making the Society known to others.

During the year the Registers of Hartshead and Linton (Part II) were issued to the members for 1903, and the Registers of Bolton-by-Bolland (Part I) and Pickhill were issued for 1904. For the latter year the first part of Howden will be issued during March. For 1905 Bolton-by-Bolland (Part II) is printed off, and is waiting the completion of the Index. Grinton is well advanced, and the second part of Howden will be pushed forward without delay.

It is intended that the Registers for 1906 shall be selected from Thornhill, Rothwell, Ledsham, Hackness, and Gargrave.

The Registers of Allerton Mauleverer, Askham Richard, Church Fenton, Cowthorpe, Crofton, Emley, Farnham, Gargrave, Giggleswick, Hackness, Hornby, Otley, Rothwell, Saxton, Sowerby near Thirsk, Terrington, Thornhill, &c., either have been or are being copied. Donations towards the printing of some of these have been promised, and also towards the printing of Ledsham, Snaith, Ecclesfield, and Ackworth. The Society, however, cannot with their present income print more than three Registers annually; therefore, further offers of donations will be welcome.

The Council regret that they have lost by death the Rev. John Hawell, who in 1900 edited the Register of Stokesley for the Society.

Messrs. G. W. Marshall, W. S. Porter, F. W. Slingsby, and G. E. Weddall retire from the Council by rotation, and they and the officers of the Society are eligible for re-election.

RULES.

1 That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2 That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.

3 That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.

4 That three members of the Council shall form a quorum.

5 That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.

6 That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7 That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.

Digitized by Google

8 That so long as the funds of the Society permit, three volumes at least shall be issued to the members in each year.

9 That copies of the publications of the Society shall be supplied to members only.

10 That no payment shall be made to any person for editing any work for the Society, but that the Editor of each volume shall be entitled to ten copies of the work so edited by him, and the Incumbent to two copies for the use of the parish.

11 That the Council may require any Transcript to be examined by them before publication.

12 That each volume of Registers published shall have a full index of both Christian and Surnames and of Places.

13 That the Treasurer's accounts shall be audited by a member of the Society, who shall be elected at a meeting of the members.

14 That no alteration shall be made in any of the above rules except at the Annual Meeting. Notice of any proposed alteration must be sent to the Hon. Secretaries a month before such Annual Meeting, and by them communicated to the members.
